

ENZO
INTERNATIONAL

One of the first in India to
introduce
the art of stretch ceiling

Our Expertise

We are Masters of Stretched Ceilings

The beauty of any interior comes from shapes and ambience and stretch ceilings make any interior stand out.

That is our specialization – combining the fine art of stretch ceilings and custom light elements.

We bring art and technology together for visual harmony.

Our speciality -

Printed Stretched Ceilings

By adding printing technology to these tensile material, we add a new dimension to its creativity. Now textures, scenes, graphics are within reach by using printed surfaces.

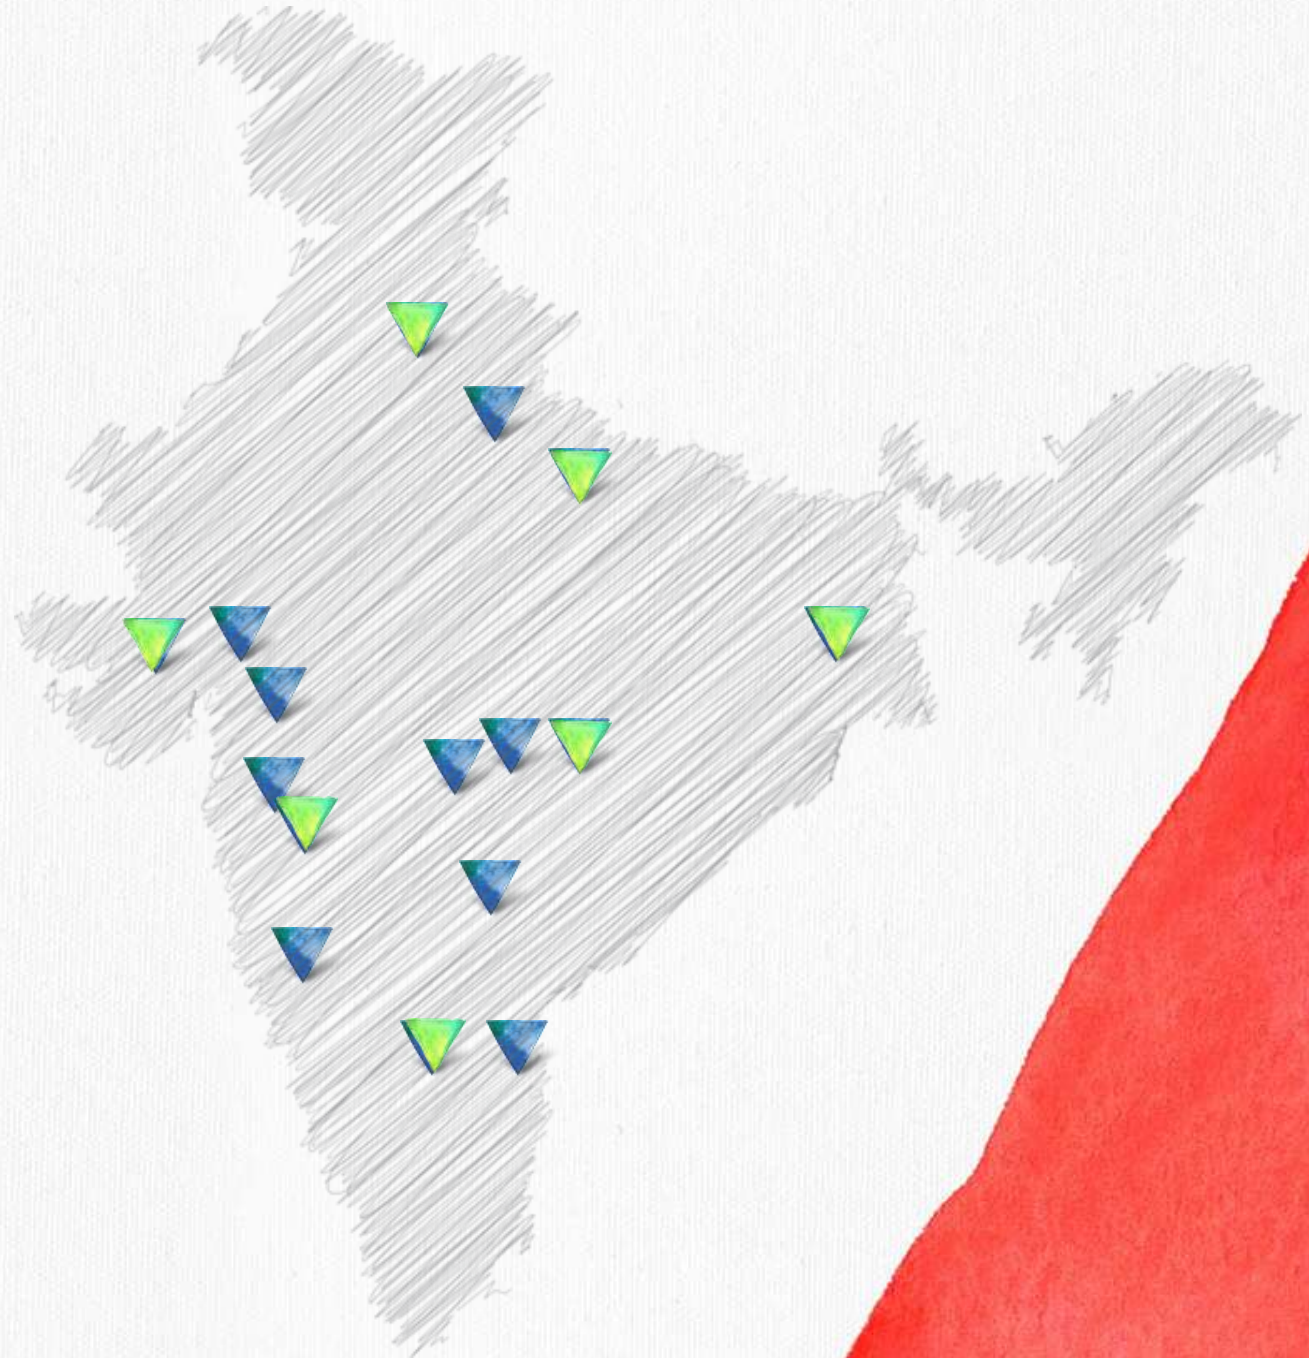

Let your imagination become a reality!

India-wide Installation experience

12,000 +
Installations in various states

Installing stretch ceilings nation-wide has broadened our experience in running the show. We have dealt with clients from various sectors, have faced our share of hassles and worked in tightest deadlines. We have grown over the years and redefined spaces. We have converted blank canvases in to masterpieces, the center pieces of your architecture.

At Enzo International,
Quality is everyone's
responsibility & passion

We have our own team of Installation Experts

Our team has been trained to handle these tricky installation projects. They were well-versed with best practices for safety, material handling, installation and using specialized tools needed for handling these fine objects of beauty
